

In the last month or more, we have heard from our pastors that we are called to live the Kingdom of God today. We have also been challenged to be faithful to God with our prayers, our presence, our gifts, our service and our witness. On October 27th, the congregation of Wynnton UMC demonstrated their faithfulness at the annual Holy-ween Fall Festival. This event is tricky because although it is considered an event of the children's ministry, it is also a mission for the community. The question is always, "How many to prepare for?" and the answer is, "We have no idea." This year exceeded our expectations with 319 community members and 110 Wynnton members who came together to be the Kingdom of God.

I just wanted to take this opportunity to personally express my appreciation for your generous participation in this ministry. I want to thank those who prayed, especially for the weather. I want to thank those who without their presence and service, the event could not have happened. I want to thank those who supplied and made the hot dog supper. I want to thank those who helped make cotton candy. I want to thank those who were stationed at all the games. I want to thank everyone who gave their monetary gifts to help support the cause financially and, of course, the candy. I could not go without mentioning Ian Allen, Zac Munson, the youth and their parents, Beth Bush and Brenda Wilson for all they did to support this event. And, I want to thank everyone for being a witness of God's love to our community. I believe they heard the message loud and clear.

Without a doubt, if God chose to do so, he could find the work of the Kingdom not only in this church, but churches in our community and around the world...yet God chose to use you and me! He knows that as we practice the wonderful gift of giving, in turn we become just a little more like Him along the way. When we love, we demonstrate that love through sacrifice. So often, sacrifice involves doing things that may not be comfortable on our own; but when it is done together, many lives will be blessed as a result. Let me assure you that your service is appreciated; and yes, I believe lives are being changed for the glory of God!

May God continue to bless you, and I also ask for your continued prayers for our family ministries here at Wynnton.

Rev. Kim

The month of November is Wynnton's month to donate food to fill the pantry at the Network. This year WNN has been extremely busy with numbers up 22% over last year, so please be generous with your donations. Bags with a suggested list of items needed have been placed in the church. Among the suggested items are canned meat; canned vegetables, beans, tomato products, fruit; macaroni and cheese, spaghetti noodles and sauce; peanut butter, jelly, and soup along with a number of holiday items. Please take one and fill it with your donations and then return it to the church. Your generosity will fulfill the ministry of the Network to help those in our community who are in need.
